

Thank you for taking part in AWS Freeman Fritts Animal Shelter's Big Give SA 2019 fundraising efforts.

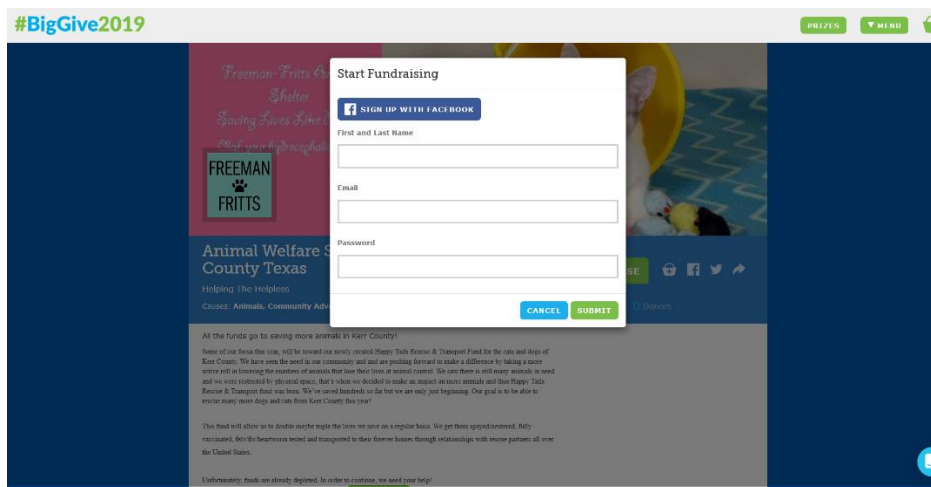

By following these quick and easy steps, you'll be able to set up your very own fundraiser for Big Give SA 2019.

By doing this, you'll expand our reach and help us meet (and potentially exceed) our 2019 fundraising goal in 24-hours!
Together, we can save more lives.

1. Follow the link [here](#) to Freeman-Fritts Big Give SA main page
2. In the top bar, under the banner, there are two large buttons: Donate and Fundraise.
3. Click "Fundraise."

4. Either create a profile manually or connect to your Facebook (this option is provided).
5. Be sure to double check that the right email is being used before submitting.

6. Once you create your account, check your email for a message from GiveGab.
7. From the email, click the “Get Started” button and either:
 - a. Login with the credentials you used when you created your profile through Big Give.
 - b. Login with Facebook if you used Facebook to set-up your account on Big Give.
8. Once you’re in your GiveGab account, go to your dashboard → toolkit → “Tell Your Story.”
9. Under “Tell Your Story” you can edit your goal, set an image, and explain why you’re supporting Freeman Fritts!
10. Share the link to your profile with friends and family and start #BigGive4HappyTails

Advanced donations can be made now for Big Give SA Day starting on March 21st, 2019.
